For the Examiner's convenience, we have enclosed an English translation of the German Office Action from the corresponding German Patent Application and a completed Form PTO-1449. The relevance of the non-English language of the German reference DE 199 22 124 is set forth in the English translation of the German Office Action. In addition, Applicants attached a copy of its U.S. equivalent, U.S. Patent No. 6,150,190.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.
